#### ***Mele & Co.'s New Distressed Finish Jewelry Boxes (UTICA, N.Y., January 18, 2010)***

New this spring from Mele & Co., the "Esme" and "Phoebe" distressed finish jewelry boxes have a pull that's undeniable. Like something tucked in the corner of a Wyeth painting, these irresistible jewelry boxes with their clean lines and rustic nature, evoke a sense of old, storied New England.

The "Esme" features a lift lid with mirror and automatic tray, plus a spacious main compartment and drawer that offers six lengthwise necklace sections. 15" x 8 1/2" x 5". Made in China.

Equally enchanting, the "Phoebe" has a lift lid with interior mirror, bracelet hooks, and shirred catch pocket, as well as an automatic tray with ring rolls and divided sections beneath. It also features dual necklace doors, three open drawers, and a drop down ring roll section. 10 1/8" x 5 1/2" x 13 1/4". Made in China.

To complete the spell, both jewelry boxes have a velvety black finish with distressed panel detailing and a mystic green sueded interior. With such an air of mystery and antiquity, the "Esme" and "Phoebe" jewelry boxes are sure to bewitch even the most discerning critics!

See "Esme" and "Phoebe" in our Spring 2010 catalog and soon to be online at our wholesale website [www.melecompany.net](http://www.melecompany.net).
