What a 'Relief'!

Mele & Co.'s New Embossed Metal Inlay Jewelry Box **(UTICA, N.Y., March 15, 2010)**

One tenet of the Arts & Crafts Movement holds that a useful thing should also be a beautiful thing. The new "Elise" embossed inlay jewelry box by Mele & Co. embodies this very ideal. Crafted for a practical, but discriminating taste, this slender sophisticate is simplistic in form, yet rich with elegant detailing.

Its deep walnut finish and tray-style lift lid with copper patinated inlay exude warmth; while a full interior mirror, ring rolls, and six open sections offer sanctuary for your most cherished treasures.

Hand lined in sand-sueded fabric and featuring an exquisite copper finish ring and stud latch, this jewelry case is as much at home in a country cottage as it is in a big city loft. Measures 13" x 6" x 2".

See "Elise" in our Spring 2010 catalog and on our wholesale website at www.melecompany.net.
